

# Focus on Your Business and Leave Payroll and HR to Us.

If payroll and HR administration tasks present time-consuming challenges that keep you from focusing on growing your business, Paychex can help. Paychex Flex<sup>®</sup>, our all-in-one HR solution, helps simplify the process and helps you to effectively manage workers across the entire employee lifecycle.

## Let Paychex Help Simplify:

**Payroll** – Paychex can help payroll run smoothly every pay period, whether on your own or with help from a dedicated payroll specialist, plus 24/7 support from highly trained, US based specialist.

**Compliance** – Over 200 dedicated professionals monitor employment and tax regulatory developments to help keep clients up to date with ever-changing laws and regulations.

**Attracting and retaining top talent** – Paychex helps standardize and streamline business owners' recruiting and hiring processes and allows them to offer competitive benefits.

**HR tasks** – Clients can take advantage of Paychex's paperless onboarding, new-hire reporting and online time and attendance system. Employees can simply log on to view check stubs and W-2s.

**Access to data** – Clients can access Paychex Flex<sup>®</sup> via phone, laptop or desktop – and gain the flexibility to manage their business while on the go. It's easy, secure, and free.

**Integrations** - Paychex Integrations connect the Paychex Flex<sup>®</sup> platform with other systems to help businesses run efficiently by sharing data smoothly and automatically without manual intervention.
